# DEDICATION

"Friendly, concerned, helpful," are the words used by a senior to describe Miss Eleen Garnett to whom the 1973 REVEILLE is dedicated. Miss Garnett, who has been a guidance counselor for the Class of '73 during its years at RL Thomas, came to Webster after serving as principal and math teacher at Red Creek Central School. Miss Garnett now lives on Dunning Avenue, where she is always available to listen to and advise present and former students. Getting a student placed in the college most suited to his needs is the goal of this dedicated guidance counselor. On school days she attempts to resolve students' many problems. During her vacations she combines her hobby of travel with her concern for her students as she visits college campuses for a personal knowledge of the intellectual and social atmosphere of the schools she recommends. The Class of 1973 appreciates the time, energy, and enthusiasm she has devoted.

Dear Loom,  
Well, your gone  
now. I'll probably  
see you in the future.

Then a Teacher said:

No man can reveal to you aught but that  
which already lies half asleep in the dawning  
of your knowledge.

If he is indeed wise, he does not bid you enter  
the house of his wisdom,  
but rather leads you to the threshold  
of your own mind.

Dear Lynn,

I'm so glad that  
you got to know this  
kid. If it weren't for Cathy  
I would never get to  
meet you. I'm sorry that you  
won't be here next year, but I hope  
that if you get a chance, you'll come  
back and see us poor unfortunates in the  
salt mines. Have a wonderful summer and  
be a "good girl". I wish a lot of luck and hap-  
piness in your future.

Love and peace always,  
Linda  
P.S. Have fun at  
the Senior Ball!

If I make a mark in time,  
I can't say that mark is mine.  
I'm only the underline of the word.  
Yes, I'm like him just like you.  
I can't tell you what to do.  
Like everybody else, I'm searching  
through what I've heard.

Look out on the hedgerow.

As the world rushes by

hear the birds sing a sigh.

One more tree will fall how strong the growing vine

Turn the earth to sand and still commit no crime.

How one thought will live provide the others die

For I have riches more than these . . .

For I have riches more than these.

Miss Wilder, Senior Class Advisor

Mrs. Emerson, Magazine Drive Advisor

Mr. Adams, Senior House Chairman

The furnished Senior Center, the Coffee Cart, the Rollerskating party, and Fall Weekend are just some of the many activities and plans this year's Senior Council has developed. In addition to the traditional plans for Graduation, Senior Banquet, and Senior Ball, the spirited Senior Class launched a successful magazine sale.

Much of the success the senior class has experienced is due to the untiring efforts of Frank Stoy, Molly Murphy, Charlene Kara, Dave Smith and Mr. Adams. With Miss Wilder and Mrs. Emerson, these people have spent long hours and contributed original ideas enabling the "Class of 73" to be long remembered at R. L. Thomas.

## A FIRST BY VARDEN

### Student Yearbook Photographers Workshop

#### "a Fantastic Success"

In August of 1972, Varden Studios sponsored a workshop for student yearbook photographers which was held on the St. John Fisher College campus in Rochester, New York.

One hundred and forty students and yearbook advisors took over 12,000 photographs during a 3 day period. All photos were processed and critiqued during the workshop. In addition to this, everyone enrolled attended 4 theory lectures, 5 one hour talks by top men in their fields, 2 slide shows by Kodak, a tour of the Rochester Institute of Technology photo department and also found time for a cookout and several social hours which included an all night rap session.

Everyone was asked to fill out sheets to evaluate the workshop. Some of the comments were: quote "I hope I flunked so I can return next year" by Laurie Chapman, Amsterdam High School, Albany, New York. "Varden should conduct workshops, again, again, again and again" by Terry Tiraborelli, Fairport High School, Rochester, New York. "I thought the whole workshop was fantastic" by Kathy Beerhalter, John F. Kennedy High School, Utica, New York. "I believe that this workshop, the knowledge and commitment that is

involved, has broadened our minds not only as photographers, but also as adult human beings, who can work together to obtain a more advanced form of communication" by Craig Gross, Corning-Painted Post East High School, Corning, New York.

## *CLASS OF 1973*

# We invite you to take a "postgraduate course" in business.

It's a quick survey that scores some  
positive points for the world of business.

Required reading: the three booklets illustrated below.  
They explain how some concerned companies, such as Kodak,  
are deeply involved in helping to solve today's problems.

Prerequisites? 1. An open mind about business.  
2. A note to us, requesting the booklets.

Good news: the booklets are free.

Read them over. Think. Then decide.

Congratulations. And good luck.

You turn a corner and things change.  
Like wrinkles changing into dimples  
and nighttime changing into day.  
And love

changing back again  
to whatever it was  
before it came.

wish for you

It's been a long year, (Mr. B???)  
many times, good friends are the  
most precious resource the world  
has to offer. I think we've made it  
good luck with whatever the world  
leaves on you.
